Critical and Urgent – PLEASE CO-SPONSOR HR2733 Immediately!

Dear Representative **[NAME OF REP]**:

I am an independent insurance agent that has been serving my community for decades. I have helped countless families protect their assets and livelihoods through guaranteed products like the fixed-indexed-annuity (FIAs) that the SEC **now** seeks to overly-burden with unnecessary regulation. The only result of the SEC's ill-conceived Rule 151A will be to limit consumer choice by restricting the availability of FIAs.

I am urging you to support me as a constituent and small-business-owner by Co-sponsoring HR 2733 immediately! Thank you for your consideration.

Regards,
